Welcome to the 2012 CHSAA Cross Country Championship. Today's meet brings together the best Catholic High School Cross Country teams in the New York Metropolitan area---as it has done for the past 85 years---at historic Van Cortlandt Park. The CHSAA is one of the most watched and respected leagues in the United States, and Van Cortlandt Park is well known as the nation's Cross Country "mecca". Below is a preview of this year's championships and some of the history of the meet.

Due to the cancellation of the Freshman and Sophomore Championships last week, the Freshman races will be run today. Sophomore races will not be contested, but all sophomores that race today will be scored in a "virtual" sophomore championship for individuals and teams.

Qualifying for the State Federation Meet – Saturday, November 17 , 2012– Bowdoin Park, Wappingers Falls, NY

The New York State Federation is made up of 4 independent HS Athletic Associations in New York State: the CHSAA, the PSAL, the NYSAIS (Independent Schools) and the NYSPHSAA (Public Schools outside NYC). The Federation meet was begun in 1974 to create a true State Championship Meet.

The “downstate associations” (CHSAA, PSAL, & NYSAIS) get 10 team berths in the federation meet, which have been divided as follows: NYSAIS – 1, PSAL – 4, CHSAA – 4, At large – 1.

For approximately the last 20 years, the boys at-large bid has been decided by comparing the 5-man average of the 5th place teams at the PSAL and CHSAA Championships. A gentleman’s agreement has dictated that 3:30 be added to the CHSAA team’s 5-man average to account for the difference in course length (2.5m vs. 5K) between the two (boys) meets. The CHSAA has gained the at-large bid for at least the last 20 years.

Also, the first 12 finishers from teams that do not qualify for the federation meet earn berths as individual runners.

**7 CHSAA Boys teams have won State Federation titles; St. Anthony’s – 1976, 80, 84, 87, 91, 92; and Archbishop Molloy – 1981;
6 CHSAA boys have won 7 individual Federation titles: CHSAA record holder Luis Ostalazaga, Bishop Loughlin (1975), Olympian John Gregorek, St. Anthony’s (1976-1977), Ed Healy, Msgr. Farrell (1979), Lloyd Gellineau, St. John the Baptist (1980), Chris Gonzalez, Bishop Ford (1991) and Charles Millioen, St. Anthony’s (2000).**

2012 Freshman Course – 1.6 miles (2582 meters)

After 4 years of construction at Van Cortlandt Park and 3 different course configurations, the Freshman course has been given a new configuration modeled closely on the traditional 1968-2007 course. It is still 2582 meters, but the starting line will be 32 meters SE of the CHSAA finish pole, still 378 meters from the 1st frosh turn pole as was the 1968-2007 course. The new start is free from conflict with newly built soccer fields, and affords athletes, coaches and parents more convenient access to check-in and viewing areas.

2012 Varsity (Soph) Course - 2.5 miles (4022 meters)

2012 marks the return to the traditional course used from 1946-2007, following 4 years of altered courses due to the ongoing and shifting construction at Van Cortlandt Park. The starting line is in the southwest corner of the Parade Grounds between the Mansion and Broadway.

Cross Country – The Start

Michael Cleary, October 2010

Colored clothes in piles strewn
 behind the long white line.
 Prancing dancers scratch the earth
 shake and twist, dash out and in.

Then gathered still along the line
 squinting into the low morning sun
 reflecting wet off the long flat field.

The silent hymn of many breaths stops.

The silent hymn of many breaths holds,
 waits and breaks forward – now a herd
 surging and merging.

Heads turn left and right
 finding a place in the colorful herd
 skimming lightly across the shiny wet
 Into the sun.

Michael Cleary is a 1979 graduate of Fordham Prep HS, and was the CHSAA Cross Country Champion in 1978

Cross Country Scoring: Each individual scores points for his/her team equivalent to his/her finishing place in the race. A team's final score is the sum of points determined by that team's first five (5) finishers. The team with the lowest total score is the Champion. In case of a tie, the team with the lower scoring 6th place individual will prevail.
